WHITESTONE PARTNERS – MARINE MAINTENANCE PLAN AGREEMENT

This Marine Maintenance Plan Agreement ("Maintenance Agreement") is entered into as of the Effective Date identified in the applicable Enrollment Form by and among Whitestone Partners, LLC ("Provider," "Obligor," "We," "Us," or "Our"), the authorized participating dealer identified in the Enrollment Form ("Dealer"), and the purchaser identified therein ("Owner," "You," or "Your"). This Maintenance Agreement, together with the Enrollment Form and any applicable state addenda or disclosures (collectively, the "Agreement"), constitutes the entire agreement between the parties.

1. DEFINITIONS

For purposes of this Agreement, the following terms shall apply: "Covered Vessel" means the watercraft identified in the Enrollment Form; "Covered Services" means only those maintenance services expressly described in Section 9 of the Enrollment Form; "Effective Date" means the date of Plan purchase shown on the Enrollment Form; "Engine Hours" means verifiable engine runtime or usage data; "Enrollment Form" means the executed purchase document associated with this Agreement; and "Plan" means this prepaid marine maintenance program.

2. PLAN NATURE & REGULATORY CLASSIFICATION

This Plan is a prepaid maintenance program and service contract providing routine maintenance services only. This Agreement is not a policy of insurance issued to You. However, where required by applicable law, Provider's obligations under this Agreement are insured under a service contract reimbursement insurance policy. This Agreement shall be interpreted, administered, and enforced in accordance with the laws and regulatory requirements of the state in which it is sold, including any laws governing service contracts, maintenance agreements, or similar regulated products. Provider shall maintain any registration, licensing, reimbursement insurance, reserve requirements, or other financial security obligations required by applicable law. This Agreement does not provide coverage for mechanical breakdown, component failure, or repair liability except to the extent such coverage is required by applicable law.

3. TERM

Coverage begins on the Effective Date and continues for the term selected in the Enrollment Form, which may include one (1), two (2), or three (3) year options. Coverage automatically expires at the conclusion of the applicable term unless otherwise required by law. Any unused services remaining at expiration shall terminate without value except as otherwise provided under the Cancellation and Refund Policy or applicable state law.

4. COVERED SERVICES

Subject to the terms, conditions, limitations, and exclusions contained in this Agreement, Provider agrees to pay for parts and labor associated with the Covered Services performed on the Covered Vessel as described herein. Notwithstanding anything to the contrary, the total number of service events under this Agreement shall not exceed [•] service events during any twelve-month period, and the aggregate cost of all Covered Services performed during the term of this Agreement shall not exceed [•] percent ([•]%) of the original Agreement purchase price (the "Aggregate Service Cap"). Once the Aggregate Service Cap has been reached, Provider shall have no further obligation to perform or pay for Covered Services during the remaining term unless Provider elects, in its sole discretion, to continue coverage. Covered Services are further limited to the intervals and occurrence limitations described in this Section and the applicable Annual Hour Cap. This Agreement does not provide unlimited maintenance services.

Coverage under this Agreement is subject to an Annual Hour Cap of [•] engine hours per twelve-month period, calculated from the Effective Date. If the Covered Vessel exceeds the Annual Hour Cap during any twelve-month period, Provider may, at its sole option: (a) limit Covered Services to those maintenance intervals that would have been applicable at [•] engine hours of usage; (b) require the Owner to pay an additional premium for excess usage, in an amount determined by Provider in its reasonable discretion; or (c) cancel this Agreement upon written notice to Owner, with a pro-rata refund calculated in accordance with the Cancellation and Refund Policy. Engine Hours shall be measured from the Engine Hours at Enrollment as documented on the Enrollment Form.

This Agreement is available only for Covered Vessels used primarily for personal, recreational, or family purposes. Coverage under this Agreement does not extend to vessels used primarily for commercial, charter, rental, livery, for-hire, or other revenue-generating operations. If Provider determines, in its reasonable discretion, that the Covered Vessel is or has been used primarily for commercial purposes during the term of this Agreement, Provider may deny pending claims and cancel this Agreement upon written notice to Owner. In the event of cancellation for commercial use, Owner shall be entitled to a pro-rata refund calculated in accordance with the Cancellation and Refund Policy, less the reasonable value of Covered Services previously rendered:

5. ADMINISTRATION, SERVICE PROCEDURES, AND AUTHORIZATION

All Covered Services must be authorized by Provider and performed by an authorized Dealer or service facility approved by Provider. Dealers participating in the program are independent contractors and are not agents, partners, joint venturers, or employees of Provider. Provider administers the Plan, authorizes Covered Services, and pays for eligible maintenance services performed pursuant to this Agreement.

Routine maintenance services performed within applicable intervals may not require separate pre-authorization where otherwise permitted by Provider procedures; however, Provider reserves the right to require verification, inspection, supporting documentation, or approval prior to payment of any claim or service request. Failure by a Dealer or service facility to follow required authorization procedures may result in denial of payment to the Dealer; however, Owner shall not be responsible for a Dealer's failure to comply with Provider administrative requirements where services were otherwise eligible under this Agreement.

Scheduling of services is subject to Dealer and service facility availability. Transportation charges, storage fees, hauling expenses, convenience charges, environmental fees, shop supplies, and similar incidental expenses are not covered unless expressly authorized in writing by Provider.

Provider reserves the right to establish, modify, and standardize claims handling procedures, service protocols, documentation requirements, authorized repair networks, and administrative processes on a prospective basis, provided such changes do not materially reduce the Covered Services purchased under this Agreement.

6. OWNER RESPONSIBILITIES

You are responsible for properly operating and maintaining the Covered Vessel in accordance with manufacturer recommendations and reasonable industry practices. You agree to maintain accurate Engine Hour readings and provide reasonable verification of Engine Hours upon request. Engine Hour verification may include onboard engine systems, diagnostic records, dealer service records, inspection reports, or other commercially reasonable methods.

If Engine Hour data is unavailable, inaccurate, altered, or disputed, Provider may reasonably estimate usage and applicable maintenance intervals based upon available information, inspection findings, historical usage patterns, and industry standards. Any such determination shall be made in good faith and in a commercially reasonable manner.

Fraud, material misrepresentation, intentional tampering, or misuse of the Covered Vessel may result in denial of coverage, cancellation of this Agreement, or other remedies permitted by applicable law.

7. EXCLUSIONS

This Agreement provides coverage only for the specific routine maintenance services expressly listed in Section 4. Except where prohibited by law, this Agreement does not provide coverage for mechanical breakdowns, repairs, defective components, cosmetic repairs, aftermarket modifications, diagnostic work unrelated to Covered Services, unauthorized repairs, or damage resulting from misuse, negligence, accidents, environmental conditions, improper operation, lack of maintenance, corrosion, contamination, freezing, collision, fire, theft, vandalism, acts of God, or other external causes.

Any service, repair, replacement, adjustment, inspection, or maintenance item not expressly identified as a Covered Service is excluded from coverage under this Agreement.

8. TRANSFERABILITY

This Agreement may be transferred to a subsequent owner of the Covered Vessel subject to Provider approval, satisfaction of applicable transfer procedures, verification of vessel condition and service status, and payment of any permitted transfer fee. Provider reserves the right to deny transfer requests where documentation, inspection requirements, or eligibility conditions are not satisfied. Transfer rights may vary by state and shall apply only to the extent permitted by applicable law.

9. LIMITATION OF LIABILITY

To the fullest extent permitted by law, Provider's total liability under this Agreement shall not exceed the original purchase price of the Plan. Provider shall not be liable for indirect, incidental, special, punitive, exemplary, or consequential damages, including but not limited to loss of use, loss of time, storage charges, towing expenses, lodging expenses, loss of income, diminution in value, or commercial loss. This Agreement provides routine maintenance services only and does not guarantee the future performance, condition, reliability, or mechanical operation of the Covered Vessel. Provider does not warrant that Covered Services will prevent breakdowns, failures, or future repairs. This Agreement does not extend, modify, replace, or duplicate any manufacturer warranty or other insurance coverage.

10. INDEMNIFICATION

To the fullest extent permitted by law, Owner agrees to indemnify, defend, and hold harmless Provider, its affiliates, administrators, officers, directors, employees, contractors, and participating Dealers from and against any and all claims, damages, liabilities, losses, costs, or expenses (including reasonable attorneys' fees and costs of defense) arising out of or related to: (a) Owner's misuse of the Covered Vessel; (b) unauthorized modifications to the Covered Vessel; (c) negligent or improper operation of the Covered Vessel; (d) failure to maintain the Covered Vessel in accordance with manufacturer recommendations; (e) any material misrepresentation or omission in the Enrollment Form or in connection with any claim; or (f) any violation of this Agreement by Owner; except, in each case, to the extent such claim is directly and proximately caused by the gross negligence or willful misconduct of Provider. For the avoidance of doubt, Provider shall not be liable for, and Owner's indemnification obligation shall extend to, any claims, damages, or liabilities arising from the acts or omissions of any Dealer or service facility, which are independent contractors and not agents of Provider.

11. FORCE MAJEURE

Provider shall not be liable for delays, interruptions, or failure to perform obligations under this Agreement resulting from causes beyond its reasonable control, including but not limited to natural disasters, severe weather, labor disputes, supply shortages, governmental actions, transportation disruptions, epidemics, pandemics, utility failures, or other force majeure events.

12. DISPUTE RESOLUTION AND ARBITRATION

Except where prohibited by applicable law, any dispute, claim, or controversy arising out of or relating to this Agreement, including the enforceability, applicability, interpretation, or scope of this arbitration provision, shall be resolved exclusively through binding arbitration administered by the American Arbitration Association ("AAA") pursuant to its Consumer Arbitration Rules and the Federal Arbitration Act.

The parties agree that arbitration shall be conducted solely on an individual basis and not as a class action, consolidated action, representative proceeding, or private attorney general action. The arbitrator shall have exclusive authority to determine issues relating to arbitrability, enforceability, formation, and interpretation of this arbitration provision.

Prior to initiating arbitration, the parties agree to make a good faith effort to resolve disputes informally. Either party may pursue qualifying claims in small claims court where jurisdictionally permitted. Arbitration shall occur in the Owner's state of residence unless otherwise required by applicable law.

Owner may opt out of this arbitration provision by delivering written notice to Provider within thirty (30) days of the Effective Date. Any opt-out notice must be in writing and must include the Owner's full name, the Agreement number, the Effective Date, and a clear and unequivocal statement of intent to reject the arbitration provision. Opt-out notices must be delivered to Provider at the address set forth in the Obligor, Administrator, and Insurance Backing section of this Agreement. An opt-out notice that fails to include all required information or that is received after the expiration of the opt-out period shall be ineffective. Exercise of the arbitration opt-out right shall not affect any other provision of this Agreement, and all other terms shall remain in full force and effect.

13. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the state in which the Agreement was purchased, except to the extent superseded by federal law, including the Federal Arbitration Act.

14. ASSIGNMENT

Provider may assign or transfer this Agreement, including its rights and obligations, without notice to or consent from Owner. Owner may not assign this Agreement except as expressly permitted under the transfer provisions contained herein or where otherwise required by law.

15. COMPLIANCE WITH LAW AND SAVINGS CLAUSE

This Agreement is intended to comply with all applicable federal and state laws and regulations governing service contracts and prepaid maintenance agreements. Any provision found to conflict with applicable law shall be automatically modified or interpreted to comply with minimum legal requirements while preserving the original intent of the provision to the maximum extent permitted by law.

Any consumer rights, disclosures, notices, or protections required under applicable state law shall be deemed incorporated into this Agreement whether or not expressly stated herein. Provider may provide additional state-specific disclosures, notices, or addenda at the point of sale, electronically, within the Enrollment Form, or through separate written communication.

16. CANCELLATION AND REFUND POLICY

You may cancel this Agreement at any time by providing written notice to Provider. If You cancel within thirty (30) days of the Effective Date and no Covered Services have been rendered, You will receive a full refund of the Agreement purchase price. If Covered Services were rendered during the initial thirty (30) day period, Provider may deduct the reasonable value of such services, calculated at Provider's then-current retail service rate for each Covered Service performed (the "Service Rate Schedule"), to the extent permitted by applicable law. The Service Rate Schedule shall be maintained by Provider and made available to Owner upon written request.

After thirty (30) days from the Effective Date, You may cancel this Agreement and receive a pro-rata refund of the unearned portion of the Agreement purchase price based upon the time remaining in the applicable term, less the reasonable value of Covered Services previously rendered, calculated at the applicable Service Rate Schedule rates. No cancellation fee or penalty shall be charged to You except where expressly authorized by applicable state law.

Whitestone Partners, LLC is the Obligor under this Agreement and remains solely responsible for payment of all refunds due under this Agreement. Refunds shall be issued within [thirty (30)] days of Provider's receipt of a valid cancellation notice. Refunds may be administered directly by Provider or its designated administrator. Dealer compensation arrangements, administrative charges between Provider and Dealer, and other internal business arrangements shall not affect Your cancellation rights or refund entitlement under this Agreement. All cancellations and refunds shall be administered in accordance with applicable state law, which shall control in the event of any conflict with this Agreement.

17. PRIVACY AND DATA USE DISCLOSURE

Provider collects personal information from You in connection with this Agreement, including Your name, mailing address, email address, telephone number(s), and Covered Vessel information. Provider uses this information for the purposes of administering this Agreement, processing claims, communicating with You regarding Covered Services, and fulfilling its obligations under this Agreement. Provider may share Your personal information with authorized Dealers, service facilities, administrators, reimbursement insurers, and regulatory authorities as necessary to administer this Agreement and comply with applicable law.
